Moggill Marathon 2025

On **Sunday 18th May 2025**, over one thousand runners and walkers will come together to support a greater cause and make a positive impact for Brisbane.

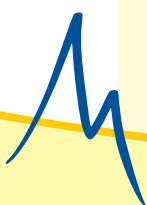

Our vision is for the residents of Brisbane to thrive in an active, cohesive and inclusive community. By 2032 our goal is to raise \$500k for children's cancer charities and community groups, celebrating the Moggill Marathon's tenth anniversary and the Brisbane Olympic and Paralympic Games.

We welcome your partnership delivering on this vision and creating another beautiful day filled with great vibes and good fun.

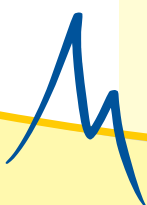

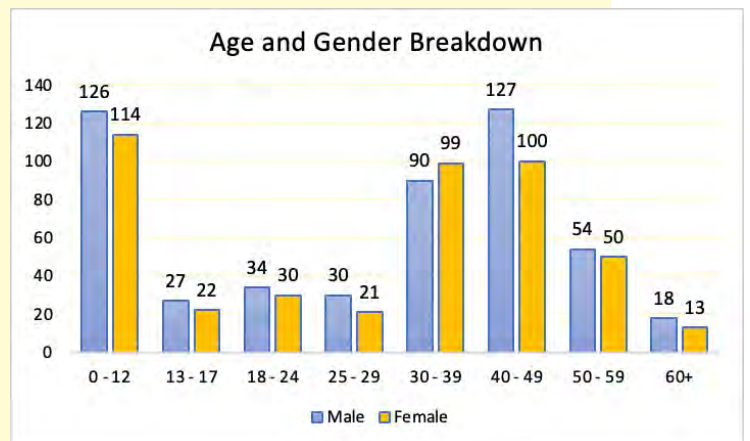

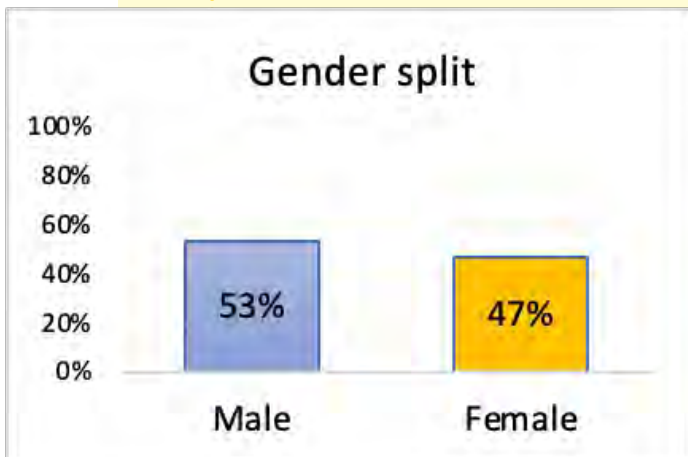

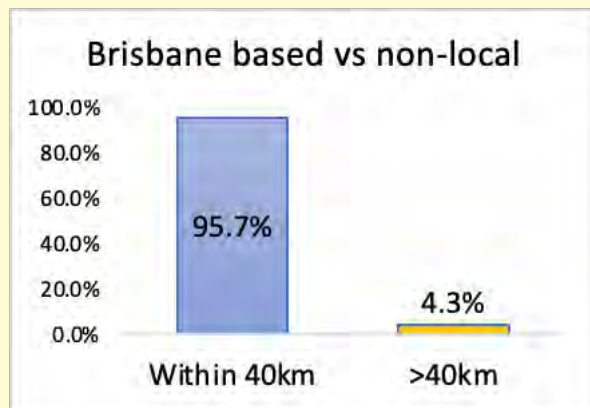

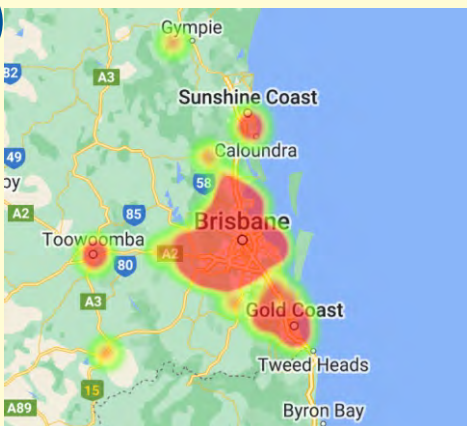

In 2024 the generosity and community spirit from runners and walkers generated an incredible \$31,500 for our beneficiaries which included **Bravery Box, supporting children and teens through their cancer treatment, as well as schools and community groups.**

Participant Feedback

Thanks for you and your team for putting on another great event! Will definitely be back for the marathon next year again (and potentially training next time for it!)
- Trent Blinco 2nd place marathon

Thankyou David!
I've been telling everyone what a great event this is and I look forward to coming back.
- Kieran O'Brien 1st place marathon

I really enjoyed the 10km event as part of the Moggill Marathon! Such a wonderful community environment. Thank you for all you do to facilitate and support these events.
- Jessica Hardt 2nd place 10k

Thank you for another wonderful event. The weather was perfect for racing, and the roads were great to run on. It must have been resurfaced running to the ferry, it was nice to open up down the hill. Aiden, Tom, Connor and Luke all ran Toowoomba a couple of weeks ago and commented on how runnable the Moggill course was in comparison, I think the Toowoomba hills were more than expected. I hope to see you there next year.
- Jane Hoskin 1st place female 21k

You have designed a tough but enjoyable course with good community involvement. If I come back next year it will be to break 3 hours which will be a challenge.
- Richard Quirk 3rd place marathon

Bravery Box Feedback

Hi David,

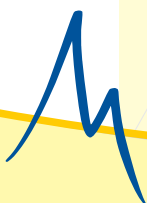

This is incredible. I honestly don't have the words to adequately describe what this means to Bravery Box. The hugest thank you to every man, woman and child that got involved to make this happen, from organising, promoting, volunteering and participating, you are all kinds of amazing.

We love being involved with this wonderful event and feel so blessed to have met so many kind and generous people.

We can't do what we do without you guys.

Kind regards,
Shane

PS. Also on the good news front, beautiful Alice (one of our brave teens, who did the 5km) and myself, have both had great scan results!!! TAKE THAT CANCER!!!

Moggill Marathon 2024 saw an incredible selection of fancy dress outfits, and the well deserved winners who took out the \$150 prize money were the fantastic Princess Peach with her plumbers Super Mario and Luigi!

From the six man human caterpillars to life sized Koalas!

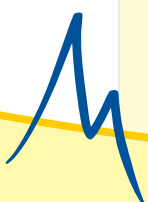

We can't wait to see what amazing costumes are on display in 2025!
